## EXPERIENCE

2025.07–2025.11  
Shenzhen, China

### Visual Designer Intern | Baidu Inc.

- Designed visual assets for an ACG-style social app, including key visuals, banners, icons, and promotional illustrations, generating \$10K on launch day.
- Produced illustrations and promotional cards for the app.
- Designed peripheral products for IP characters, such as cards and badges.

2024.02–2024.05  
Hangzhou, China

### Game Art Intern | Botanx Game Studio

- Designed environment scenes, including mine caves and bamboo forests, for the indie game Halcyon Days at Taoyuan, which has been officially released on Steam.
- Created the main world map layout.
- Designed UI panels and in-game icons to enhance usability and visual consistency.

2023.10–2024.01  
Shanghai, China

### Illustrator Intern | Himalaya Inc.

- Designed three skins of different themes for the IP character.
- Created illustrations for children's electronic books, focusing on storytelling and visual clarity.
- Produced typography and layout design for product albums.
- Use Mid-journey to create illustrations for advertising campaigns.

2023.07–Present  
Commission Platform

### Freelance Illustrator

- Delivered commissioned illustrations based on client briefs.
- Built experience in client communication and revision cycles workflows.

## PROJECT

2024.09–2024.12  
Pasadena, CA

### Game Art | Game Capstone Project

- Collaborated with a team consisting of 3 students in game design and 6 students in game art to complete the concept design of a melee combat game.
- Designed one main NPC character, created a few environments and creature concept art.
